The installation of the equipment shall be completed and handed over within the time schedule given in the tender. This stipulated period should be strictly adhered to for implementation.

12. SUBMISSION OF PBG/AGREEMENT AND DAMAGES FOR DELAY IN SUPPLIES/ INSTALLATION

12.1. The supplier shall ensure submission of duly executed agreement and the desired Performance Bank Guarantee immediately on issue of Supply Order but not later than 7 days of issuing of supply order, failing which and without prejudice to its remedy under the contract the Supply Order shall stand cancelled. If Agreement/PBG is not supplied within the stipulated period, action under Para 5 above will be applicable and EMD shall be forfeited.

12.2. If the supplier fails to deliver any or all of the goods or to perform the services within the time period(s) specified in the contract, the purchaser shall, without prejudice to its other remedies under the contract, deduct from the contract price, as liquidated damages, a sum equivalent to 0.5 percent (0.5%) of the contract price for each week of delay or part thereof until actual delivery or performance, upto a maximum deduction of ten percent (10%) of the contract price. Once the maximum is reached, the purchaser may consider termination of the contract as the ease may be of the equipment including components, spares, accessories and optional items and civil, electrical and any other miscellaneous work undertaken. The acceptance of the equipment will be based on demonstration of the satisfactory working of all modes of the equipment as tested by the Institute. The Certificate will be issued by the Institute for the satisfactory completion of the supply; installation and commissioning of the equipment in format given in Annexure-‘F’. The suppliers will inform the purchaser in writing intimating the reasons for delay in supplying and for installing the equipment. The purchaser in his sole discretion may consider a reduction/waiver of the penalty for a period to be stipulated in writing. The material, etc. required for demonstration of satisfactory functioning of the equipment shall be arranged by the suppliers.

13. CONTRACT:

The successful bidder will be required to enter into an Agreement (please see Annexure-‘C’) with the Institute on a non-judicial paper of Rs.30.00 for the supply and satisfactory installation of the equipment as defined above as per specifications and terms and conditions listed in the document and agreed upon.

14. UPTIME GUARANTEE/WARRANTY:

At the end of the warranty/guaranty period as stipulated in Clause 10.1, or the extended period on account of penalty, the Institute shall enter into AMC or CMC with the firm as indicated in the Supply Order. The successful bidder shall sign an agreement for the entire period or guarantee/warranty and AMC/CMC. The firm will be required to warranty/guarantee that during warranty period as well as during the service contract period, the equipment including accessories will be maintained in good working condition for a period of 347 days out of a period of 365 days (i.e. 95% uptime). If the machine is out of order for more than 5 hours during any day, it shall be considered as one day down time. The essential period to shut down the installation entirely or partially shall also be included in the down time if it exceeds 2 days while calculating the 95% guaranteed uptime. No deduction or advantage of any kind on account of Sundays, half days on Saturdays. Public /Govt. holidays observed by the Institute shall be allowed from the total downtime permissible as defined above. The equipment will thus be required to be maintained in satisfactory working conditions for a minimum of 347 days in each period of 365 days which defines the 95% guaranteed uptime required to be maintained in each such period of 365 days. The firm will be required to pay a penalty of Rs.2,000/- per day in case the number of days of downtime in each period of 365 days is more than the downtime permissible which is to be calculated as defined above and the delay for not bringing the equipment in functioning order is in any way directly, even partially, attributable to the firm. The penalty will apply only for the number of days in excess of the permissible downtime as defined above.

- a. During the guarantee/warranty period, the time taken by the firm for putting the unit in working order in more than 5 days where spare parts are required, will be considered as down time, the guarantee/warranty will be extended accordingly.

- b. During the AMC, the time taken by the Institute in providing the spares till the function of the unit will not be calculated as downtime. But the period of AMC will be extended equivalent to period the unit remain out of order. The firm has to submit the Proforma Invoice for the import of spares within 4 days, extra period than this will be counted as down time.
- c. If the Institute opts to enter CMC, during this period the equipment alongwith its accessories has to be maintained for 347 days in a year as defined in this Para 14. However, 5 days time will be allowed to procure the spares, in case the same has to be imported and this period of 5 days will not be counted as downtime.

15. Voltage Stabilizers, Isolation Transformers/U.P. S. systems:

15.1. Voltage stabilizers, Isolation Transformer or U.P.S. system, as may be required, should form part of the equipment although separate quotations for the same from indigenous sources shall also be submitted. The voltage range in the Institute varies from 175 - 235. Any defect occurring in the equipment because of the defects in voltage stabilizers, Isolation Transformer or U.P.S. system as the case may be, shall be attributable to the suppliers and the cost of repairs and the replacement, if any, shall be borne by the suppliers during the guarantee/warranty period as well as the service contract period.

15.2. If any part of the equipment goes defective on account of inherent fault in the machine or in any component of the equipment and needing replacement shall be replaced by the supplier during the contract period free of cost i.e. to say any defect caused in a part of the machine on account of non-maintenance of the main machine during the contract period shall be attributable to the supplier and the cost of replacement thereof shall be borne by them.

26.6. PRICE BIDS:

- I. These shall be separately sealed as specified in Para 26.4 above. The price bids should show item-wise break-up of price. The price quoted should be as per sub Para 26.4 and 26.6(II) below. The rates for the service contract period as specified in Para 26.6 (X) below must form a part of the price bid.
- II. The tenderers should quote firm rates for the imported items as under:
 - i. Cost of each item (FOB value)
 - ii. Total FOB value of all items.
 - iii. Add freight and insurance up to Delhi Airport.
 - iv. Indian Agency Commission payable to the Indian Agent, if any.
 - v. Net C.I.F. value (i.e. total FOB value as in (ii) plus value at (iii) above, less Indian Agency Commission at (iv) above).
 - vi. Amount of custom clearance/charges, freight and insurance charges from New Delhi to Chandigarh.
 - vii. Installation charges, if any.
 - viii. Total FOR value.

NOTE: Comparison of prices would be on the basis of F.O.R. price at Chandigarh as below.

CIF price at New Delhi Airport or at works _____

Custom clearance charges if applicable	_____
Insurance and freight upto Chandigarh	_____
Indian agency commission if any	_____
Total	_____

(Note: To facilitate evaluation and comparison, the purchaser will convert all bid prices expressed in the amounts in various currencies in which the bid price is payable, to the Indian rupees at the selling market rate of exchange established by the State Bank of India, Chandigarh for similar transactions as on the last date of submission of tenders).

- III. Indian Agents quoting on behalf of their Principals abroad should furnish alongwith their Price Bids an original Proforma Invoice from their Principals abroad, failing which the tender shall not be considered and also furnish a copy of the Agency Agreement where applicable.
- IV. Prices quoted for imported goods should not include import duty or any other tax leviable in respect of store and the same shall be chargeable at actuals on production of vouchers unless necessary exemptions are arranged by the Institute.
- V. The prices quoted for indigenous items must be FOR, Panjab University, Chandigarh. If any sales tax, excise duty etc. is payable the same must be quoted extra clearly failing which it will be presumed that the prices quoted are inclusive of all taxes etc. Where the excise duty is leviable on advaloren basis, tenderer should submit alongwith the tender, the manufacturers price list showing the actual accessible, value of the stores as approved by the excise authorities.
- VI. Where more than one unit of any equipment is required/offered, the rate should be quoted for each unit. The rates quoted in ambiguous terms will render the tender liable to rejection. The rates and units shall not be overwritten. The tender offer should be typed or written in ink. Offers in pencil will be ignored. All corrections must be signed by the tenderers in full.
- VII. Any quantity discounts must be specifically indicated in the Price Bid.
- VIII. Indian Agents quoting on behalf of their Principals abroad F.O.B./F.A.S./C.I.F. basis should furnish, alongwith the Price Bid :-
 - i. A certificate regarding the net prices, exclusive of commission, profit, etc. to be paid to their principals in foreign currency and indicate separately the amount of the remuneration/commission/profit which the Indian Agents are entitled to in terms of their Agreement(s) with the Foreign Principals.
 - ii. Their Principal's Proforma Invoice or Certificate indicating remuneration/commission/discount etc. to be allowed in the particular transaction whether as a commission for the contract or as a general retained fee to their Indian Agents, and the nature of the after sales service to be rendered by Indian Agents, and also indicate whether any such payments shall be received by the Indian Agents in India or abroad with the breakup in Indian Rupees and foreign currency.
- IX. The tenderer viz. the Indian Agents and/or the foreign firms should furnish alongwith the Price Bid a certificate that the rates quoted by the firm are the same as are being charged from other Government or Non-Government Departments/institutions for similar items.
- X. SERVICE CONTRACT:

In addition to quoting for the equipment alongwith its accessories. tenderer must quote for Annual Maintenance Contract (AMC) as well as for Comprehensive Maintenance Contract (CMC) for a period of 3 years for maintaining the equipment at this Institute after the period of warranty or extended as the ease may be. During the service contract period the firm shall provide four preventive maintenance visits per year in addition to attending all emergency break down calls. The uptime guarantee of 347 days in a block of 365 days as defined in Para 14 also apply to the service contract period. The AMC and CMC rates will not be taken into account while comparing the prices.

- (a) In case of AMC, the charges should be quoted for labour cost only and should not include the cost of any replacement parts/components that may be needing replacement. Thus the charges quoted will be for service only. During the AMC replacement of parts or components that may be needed replacement shall be made available by the Institute at the Institute's own expenses but the firm has to submit the Proforma Invoice for the spares that needs replacement within a period of 4 days, failing which the extra period will be counted as down time. During the AMC the time taken by the Institute in providing the spares till the function of the unit will not be calculated as down time but the period of AMC will be extended equivalent to the period the unit remain out of order.
- (b) If the Institute opts to enter CMC during this period the equipment alongwith accessories has to be maintained for 347 days in a block of 365 days as defined in Para 14. However, 5 days time will be allowed to procure the spares in case the same has to be imported and 5 days will not be counted as down time. In case of CMC, the charges should be quoted for labour cost as well as for the cost of any replacement parts/components that may be required for keeping the equipment and accessories functional.
- (c) The rates of the service contract after warranty period for both AMC and CMC must be indicated strictly as below:

	AMC	CMC
Rate for 3rd year	Rs _____	Rs _____ } }
Rate for 4th year	Rs _____	Rs _____ } }
Rate for 5th year	Rs _____	Rs _____ } for ____ units.

NOTE 1: Rates of AMC and CMC are to be quoted in Indian Rupees only as these shall be paid in Indian Rupees only.

NOTE 2: CMC has to be for all parts. Any conditional offer may render the tender invalid.

The charges for the service contract will be paid in 4 equal installments in arrears for satisfactory service or as per mutually agreed upon schedule.

XI. SPARES:

The spares that are necessary to take care of any possible breakdown of the equipment during a period of 5 years beyond the initial guarantee period should be indicated giving the names and price of each item. This is, however, without prejudice to provision of Para X. The shelf life of each of the item must be indicated along with the time frame during which they are expected to be required for satisfactory maintenance and running of the equipment.

XII. OPTIONAL ACCESSORIES:-

Tenderer must quote separately for optional accessories for the items (list of items and mention individual prices) if any recommended by tenderer.

- XIII. Indian Agents quoting on behalf of their principals abroad must attach a photostat copy of their Agency Agreement with their principals abroad regarding quantum of commission payable.
- XIV. Where authority to refer disputes to arbitration has not been given to the partner signing the tender the tenders must be signed by every partner of the firm.
- XV. The Indian Agency Commission out of the FOR value will be paid in Indian Currency.

27. FORCE MAJEURE:

Any failure of omission or commission to carry out the provisions of this contract by the supplier shall not give rise to any claim by any party; one against the other if such failure or omission or commission arises from an act of God. which shall include all acts of natural calamities such as fire, flood, earthquake, hurricane, or any pestilence or from civil/strikes, compliance with any statute and/or regulations of the Government, lockouts and strikes, riots, embargoes or from any political or other reasons beyond the supplier's control including war (whether declared or not) Civil War or state of insurrection provided that notice of the occurrence of any event by either party to the other shall be given within two weeks from the date of occurrence of such an event which could be attributed to Force Majeure conditions.

28. ARBITRATION

- I. If at any time, any question, dispute or difference whatever shall arise between two parties upon or in relation to or in connection with this Agreement, either of the parties may give to the other notice in writing of the existence of such question, dispute or difference and the same shall be referred to two Arbitrators one to be nominated by the First Party and the other to be nominated by the Second Party/Third Party. Such a notice of the existence of any question dispute or difference in connection with this Agreement shall be served by either party within one year of the beginning of such dispute failing which all rights and claims under this Agreement shall be deemed to have been forfeited and absolutely barred. Before proceeding with the reference the Arbitrators shall appoint/nominate an umpire, in the event of the Arbitrators not agreeing in their award, the Umpire appointed by them shall enter upon the reference and his award shall be binding on the parties. The venue of the arbitration shall be at Chandigarh (India). The Arbitrators/Umpire shall give a reasoned award.
- II. The provision of the Indian Arbitration Act in force and of rules framed there under and any statutory modifications thereof shall be deemed to apply and be incorporated in this Agreement.
- III. Upon every or any such reference, the cost of any incidentals to the reference and award(s) respectively shall be at the discretion of the Arbitrators or in the event of their not agreeing, of the Umpire appointed by them who may determine the amount thereof or direct the same to be fixed as between solicitors and client or as between parties and shall direct by whom and in what manner the same shall be home and paid.

29. JURISDICTION :

The courts at Chandigarh alone will have the jurisdiction to try any matter, dispute or reference between the parties arising out of this Agreement/contract. It is specifically agreed that no court outside and other than Chandigarh courts shall have jurisdiction in the matter.

ANNEXURE A
ITEM NAME, QUANTITY AND TECHNICAL SPECIFICATIONS
(To be returned with the Technical Bid)

HPLC Tender Specifications

Supply, deliver, install and commission High Performance Liquid Chromatography systems (one each of the following specifications) in the University Institute of Pharmaceutical Sciences.

System I (QUANTITY: One)

Pump & Solvent delivery

Pump	Quaternary gradient pump with construction capable of delivering precise volumes from 0.01 ml to 10 ml in increments of 0.01 ml. The pump should be capable of taking feed from four different reservoirs, allow low pressure mixing of these solvents from four reservoirs in any proportion using precise and accurate proportioning valve and delivers non-pulsating flow with following specifications:
Flow accuracy	Equal or better than $\pm 1\%$ at 1ml / min.
Flow precision	Equal or better than 0.075% RSD.
Gradient mixing capability	Option of predefined gradient mixing in linear, step, convex and concave curve modes.
Flow composition accuracy	$\pm 0.5\%$ or better at 1ml / min.
Flow composition precision	$\pm 0.15\%$ RSD at 1ml / min.
Degassing	Inbuilt vacuum degassing for each of the 4 feed channels with internal volume of 1 ml or less per channel.
Pump Pressure operating range	The pumps should deliver flawlessly against pressure of 5000 psi or above (344.7 bar or above) with pressure fluctuations of less than 50 psi.
Delay volume (inclusive of sample management delay)	not more than 650 μ L.
Pump seal wash	Integrated, active and automatic.
Wet priming	Automatic and software-assisted automated solvent purging and priming function.

Pump display & control panel Integrated in the system or provided separately.

Auto-sampler with sample cooling and heating

Injection volume Full volume injection or variable volume injection of 0.1 to 100 µl in increments of 0.1 µl without any sample loss.

Sample processing No of sample vials 100 ± 10 of 2-ml vials; multiple samples processed automatically or randomly as commanded. Capable of customized continuous analyses as per specified conditions for each sample. Capable of taking priority samples in the queue during automated run.

Flow line rinse Flow line rinse capability both before and after sampling.

Injection needle wash Programmable needle wash using fresh solvent between two consecutive injections.

Injection volume accuracy Equal or better than 0.7% at 10 µl

Sample carryover Less than 0.01%

Injection precision 0.5% RSD or better at 10 µl

Linearity Coefficient of deviation equal or better than 0.999 from injected volume of 1 to 100 µl

Sample compartment temperature control Direct cooling for temperature setting from 4 to 40°C

Injected sample auto-addition and auto-dilution Software-assisted

Column Compartment

Temperature range Column oven to accommodate two 30 cm columns with capability of pre-heating of mobile phase for uniform temperature distribution with quick feedback mechanism to maintain constant temperature level from 15⁰ below ambience (25⁰C) to 60⁰C in increments of 0.1⁰C and precision of ± 0.1⁰C. Column management device should be available as an option.

Safety features (optional) Solvent leak sensor, temperature limit device and temperature fuse.

Fluorescent Detector

A HPLC Fluorescence Detector with following specification:

Light Source Xenon lamp

Excitation Range	200 - 650 nm or higher
Emission Range	210 - 750 nm or higher
Spectral bandwidth	20 nm
Wavelength Accuracy	Equal or better than ± 3.0 nm
Repeatability	Equal or better than ± 0.25 nm
Flow Cell Volume	Less than 15 μ L
Flow Cell input Temperature	4°C to 40 °C
Cell Temperature Control	10°C Below ambience to 40°C

Dual/multi wavelength UV-Visible Detector

Dual wavelength UV-VIS detector with fixed slit width design optimized for sensitivity and resolution.

Energy source	Deuterium lamp
Band width	≤ 5 nm
Wavelength range	190-700 nm or better
Wavelength accuracy	± 1 nm
Wavelength precision	± 0.1 nm
Wavelength accuracy check	Automatic check at 4 wavelengths (UV & VIS) & wavelength correction
Detection	Ability to monitor absorbance at two user-selected wavelengths
Drift	Equal or less than 1×10^{-4} AU/Hour
Noise level	$\pm 0.5 \times 10^{-5}$ AU (single wavelength)
Wavelength range linearity	Equal or better than 2.5 AU (ASTM E578 method)
Flow cell volume	Less than 20 μ L, cell path length 10 mm
Self aligning mechanism	In place for the light source and cell to allow alignment free installation from the front.

System II (QUANTITY: One)

Pump & Solvent delivery

Pump	Quaternary gradient pump with construction capable of delivering precise volumes from 0.001 ml to 2 ml in increments of 0.001 ml. The pump should be capable of taking feed from six different reservoirs, allow low pressure mixing of the solvents from any four lines in any proportion and delivering precise, accurate and non-pulsating flow with following specifications:
Flow accuracy	Equal or better than $\pm 1\%$
Flow precision	Equal or better than 0.075% RSD
Gradient mixing capability	Option of predefined gradient mixing in linear, step, convex and concave curve modes.
Flow composition accuracy	$\pm 0.5\%$ or better
Flow composition precision	$\pm 0.15\%$ RSD or better
Degassing	Inbuilt vacuum degassing for each feed channel
Pump Pressure operating range	The pumps should deliver flawlessly against pressure of 15000 psi or above (approx 1030 bar or above)
Dwell volume (inclusive of sample management delay)	not more than 400 μL .
Pump seal wash	Integrated, active and automatic.
Wet priming	Automatic and software-assisted automated solvent purging and priming function.

Auto-sampler with sample cooling and heating

Injection volume	Full volume injection or variable volume injection of 0.1 to 10 μL .
Sample processing	No of sample vials 100 \pm 10 of 2-ml vials; multiple samples processed automatically or randomly as commanded. Capable of customized continuous analyses as per specified conditions for each sample. Capable of taking priority samples in the queue during automated run.

Flow line rinse	Flow line rinse capability both before and after sampling.
Injection needle wash	Programmable needle wash using fresh solvent between two consecutive injections or flow through needle design for low carry-over.
Injection volume accuracy	Not more than 2% at 10 µl
Sample carryover	Less than 0.005%
Injection precision	0.5% RSD or better at 10 µl
Linearity	Coefficient of deviation equal or better than 0.999 from injected volume of 1 to 100 µl
Sample compartment temperature control	Direct cooling for temperature setting from 4 to 40°C
Injected sample auto-addition and auto-dilution	Software-assisted

Column Compartment

Temperature range	Column oven to accommodate two 30 cm columns with capability of pre-heating of mobile phase for uniform temperature distribution with quick feedback mechanism to maintain constant temperature level from 10 ⁰ below ambience to 60 ⁰ C in increments of 0.1 ⁰ C and precision of ± 0.1 ⁰ C. Column management device should be available as an option.
-------------------	--

Photodiode-Array Detector

Equipped with automatic wavelength accuracy check at 4 different wave lengths (UV and visible region), self-aligning mechanism between the flow cell and the light source. The PDA should comply with the following specifications.

Wavelength range	190-700 nm.or better
Photodiodes	Photodiode array detector should have 512 or more elements with resolution of 1.2 nm or better per element.
Operation modes	Option to use the detector in high resolution or high sensitivity mode.
Wavelength accuracy	±1 nm.
Wavelength precision	± 0.1 nm.

Light Source	Deuterium lamp for UV region and deuterium/tungsten lamp for visible region with flexibility of choosing the light source. The deuterium lamp life should be optimized by the software to ensure same sensitivity throughout its life.
Drift	Equal or less than 1.0×10^{-3} AU/Hour
Noise	Equal or less than 1.0×10^{-5} AU
Linearity	Equal or better than 2.0 AU (ASTM E578 method)
Flow cell volume	500 nL or less, cell path length 10 mm
Data acquisition rate	80 Hz or better

PC Software-assisted system control for system II

Chromatographic Software

Net-enabled with embedded and enabled Oracle data base software capable of monitoring simultaneously up to four HPLC systems and data acquisition of up to 8 channels (two detectors each HPLC system). To allow auto start up, auto shut down, baseline stability, auto validation, auto purge. Compatible with the latest Windows operating system in the market and the company shall assure free software upgrade for the future 5 years from the date of commissioning. The software shall have capabilities in addition to standard features including:

- features for chromatogram comparison through subtraction,
- modern tools of data processing,
- customized report formats deliverable in other file formats,
- to include internal or external standard for quantification,
- to allow normalization and use normalized chromatogram for quantification,
- to allow data transfer to spread sheet,
- to allow providing data in tables and graphs,
- to allow audit trail through auto generated log files

Hard and soft copies of software operations, tools, functionalities, capabilities should be provided for self-learning.

A PC (professional workstation)

A personal computer of professional workstation configuration from a standard and reputed manufacturer with 3-year manufacturer warranty and preloaded professional Windows 7 or 10 operating system should be provided with the system. An additional and separate hard disc, identical to original hard disc of PC should be supplied extra for data storage.

System suitability, system security, system check functions complying with Good Laboratory Practices and Regulatory conformity shall be available and provided.

Warranty for systems I & II

The system should be accompanied with all conformity certificates.

The quoted price should include delivery at site, installation, commissioning and training to 4 operators to their satisfaction.

Comprehensive warranty for a period of 24 months from the date of installation and successful commissioning of the machine to maintain the machine in perfect working order with no cost to the purchaser, whatsoever may be the circumstances. During this period at no time the machine should be out of order continuously for more than 3 working days, in which event the warranty shall be extended by double the time period of break-down.

Terms and Conditions

Prices should be CIF Panjab University, Chandigarh

The component of extended annual comprehensive warranty beyond 2 years to 5 years from the date of commissioning should compulsorily be shown separate (yearly cost).

The quoted price should include all kind of costs including packing, insurance, transportation within and outside India, expenses incurred in releasing the consignment at international air-port in India and on behalf of the Panjab University, installation and shall exclude any levies paid to Government of India.

The invoice should be valid at least for a period of 90 days.

The quoted price should be after deducting maximum possible educational discount.

The prices for the systems should be quoted as following:

- **System I**
- **System II**

The Institute reserves the right to order none, one or both of the above systems. The price comparison shall be made system-wise.

ANNEXURE B
(To be returned, fully complete, with the Technical Bid)
GENERAL QUESTIONNAIRE

- i. This Annexure must accompany the Technical Bid.
- ii. The tenderers must give specific answers against each of the following questions.
- iii. Equivocal or evasive replies will render the tender liable to be ignored.

QUESTIONS:

- 1) Name and address of manufacturer:-
- 2) Station/Place of manufacturer:-
- 3) Whether the tendering firm is/are:-
 - a. Manufacturer
 - b. Manufacturer's authorized agents
 - c. Holders of stock of the stores tendered for.
- 4) If stores offered are manufactured in India, please state whether all the raw materials, components etc. used in their manufacture are also produced in India. If not, give details of materials, components etc. that are imported and their break-up of the indigenous and imported components together with their value and proportion it bears to the total value of the stores.
- 5) State whether raw materials are held in stock in India sufficient for the manufacture of the stores.
- 6) Please state specifically whether the price tendered by you is to the best of your knowledge and belief, not more than the price permissible for you to charge a private purchaser for the same class and description of goods under the provisions of any law for the time being in force and not more than the prices you would charge from other Govt. Depts./Institutions in India. If not, state the reasons as well as the margin of profit included.
- 7) Please indicate the following:-
 - a. The precise relationship between the Foreign Manufacturers/Principals and their Indian Agents/Associates.
 - b. The mutual interest which the Manufacturer/Principals and their Indian Agents/Associates have in the business of each other.
- 8) Business name and construction of tendering firm. Is the firm registered under:
 - a. The Indian Companies Act, 1956.
 - b. The Indian Partnership Act, 1932 (please give the name of partner).
 - c. Any other act.
 - d. If the firm is not registered please give the name(s) and address of the owner(s)
- 9)
 - a. Do you agree to various clauses of Para of the Agreement (Annexure 'C') regarding Arbitration
 - b.
 - i. In case of partnership firms, whether registered under Indian partnership Act, 1932.
 - ii. In case the answer to question at 9(a) by the partnership firms be in the affirmative please state further:-

- iii. Whether in the partnership Agreement, authority to refer disputes concerning the business of the partnership to arbitration has been conferred on the partner who has signed the tender.
- iv. If the answer(s) to question 9(b) (iii) is in the negative, whether there is any general power of attorney executed by all the partners of the firm authorizing the partner who has signed the tender to refer disputes concerning business of the partnership to arbitration.
- c. If the answers to either 9(b) (iii) or 9(b)(iv) is in the affirmative, please, furnish a copy of either the partnership Agreement or the general power of attorney, as the case may be.

NOTE: Please attach to the technical bid a copy of the Partnership Agreement or the General Power of Attorney on either of which reliance is placed for authority of partner or the partner signing the tender to refer disputes to arbitration. The copy should be attested by a NOTARY PUBLIC or its execution should be admitted by an affidavit drawn on properly stamped paper by all the partners.

10) Indicate clearly the guaranteed delivery/commissioning and handing over period.

11) Please state clearly the period for which your offer will be valid for acceptance beyond the date of opening of the Technical Bids (please see note below):

IMPORTANT NOTE: Tendering firms are requested to keep their offers valid for acceptance for a period of 90 days from the date of opening of the Technical Bids. If the firm is unable to keep its offer open for the specified period of 90 days, then they should specifically state the period for which their offers would remain open but they must realize that such a provision may result in the rejection of their offers.

12) Please furnish the following details-

Permanent Account Number:

ANNEXURE C

(To be returned with the Technical Bid)

Terms and Conditions of the Agreement to be executed by successful Tenderers.

1. This Agreement regarding the supply, installation and maintenance of _____ made this day _____ Two thousand and _____ by and _____ between Panjab University, Chandigarh, represented by Chairperson, University Institute of Pharmaceutical Sciences (herein after referred to as the First Party) and M/s _____ and their agents _____ (hereinafter referred to as the Second /Third Party respectively) which expression shall unless specifically excluded by or repugnant to the context include their Heirs, Executors, Administrator, Legal Representatives and Assignees. The second party- may nominate their agent if they so desire and inform the First Party in writing about such appointment. It is further stipulated that notwithstanding anything else in this Agreement, the Second Party shall inform the First Party in writing about the change of such agency. Further, the new agency shall remain bound by the present Agreement irrespective of any arrangement written or otherwise between the Second Party and its agents to which agreed that this Agreement will be binding on all parties collectively and separately.
2. THE AGREEMENT:
 - 2.1. This Agreement concerns the supply installation and commissioning of _____ equipment on turnkey basis to be supplied by the Second Party / Third Party according to Supply Order(s) No. _____ Dated _____ and their Proforma Invoice No _____ dated _____ a copy of which is appended (Annexure____). Further, the equipment is to be installed by the Second Party / Third Party at the designated premises of the first party according to the schedule agreed upon as stated below.
 - 2.2. The Second Party / Third Party agree to supply, install and commission the entire equipment within the period of 50 days in case of imported items and 30 days in other cases after placing the supply order.
 - 2.3. MODE OF DESPATCH
The equipment with all its accessories should be despatched by air to Delhi (India) duly insured upto Chandigarh, freight and insurance charges prepaid.

2.4. The Second / Third Party shall ensure submission of performance Bank Guarantee and duly executed Agreement immediately but not later than **seven days after issue of Supply Order** failing which and without prejudice to its remedy under the contract, the Supply Order shall stand cancelled, except when specific extension is granted by the head of the Institute. If the PBG and Agreement is not supplied, as called for within the stipulated period, the Supply Order shall be liable to be cancelled and EMD forfeited.

- a. Further, the equipment will be supplied, installed, commissioned and handed over to the First Party in complete working order within a total period as specified above.

If the supplier fails to deliver any or all of the goods or perform the services within the time period(s) specified in the contract, the purchaser shall, without prejudice to its other remedies under the contract, deduct from the contract price, as liquidated damages, a sum equivalent to 0.5 % of the contract price for each week of delay or part thereof until actual delivery or performance, upto a maximum deduction of 10% (ten percent) of the contract price. Once the maximum is reached, the purchaser may consider termination of the contract by which the supplies or their satisfactory installation, commissioning and handing over is delayed. The Second Party / Third Party will inform the First Party in writing, intimating the reasons for delay in supplying, commissioning and handing over of the equipment in satisfactory working order. The First Party at its sole discretion may consider a reduction or waiving of the penalty for a period to be stipulated in writing.

2.5. The system operational efficiency and concepts would be fully demonstrated after job completion by the Second/Third Party for which nothing extra shall be payable by the Institute. The materials etc. required for demonstration of satisfactory functioning of the equipment shall be arranged by the Second /Third Party.

2.6. Thorough inspection of the equipment system will be carried out by the First Party only on completion of the entire job of installation and commissioning of the equipment. The acceptance of the equipment will be based on demonstration of the satisfactory working of all modes of the equipment as tested by the Inspecting Authority.

2.7. This Agreement comes into effect from **the date of issue of supply order in favour** of Second/Third Party. The Agreement will remain valid for a period till the rights and liabilities of the parties are finally disposed off.

2.8. On expiry of the **initial period of 2 years**, this Agreement may be renewed for a further period by mutual Agreement between the parties in writing. However, notwithstanding anything else stated here, the Second Party undertakes to continue to provide service and required spare parts at an agreed price for the entire life of the equipment. Further, the Second Party undertakes to provide all the circuit diagrams of the entire equipment, including all its accessories, in the event the particular model is phased out of production. It further agrees to provide and sell to the First Party all spare parts that may be needed for the remaining life of the equipment.

3. PRICES:

3.1. Prices of the equipment(s) is/are _____ with the break-up for freight & insurance, agency commission, installation charges payable at actual as below:

4. PAYMENT TERMS:

- 4.1. FOB value shall be paid through irrevocable Letter of Credit established in favour of the foreign supplier through State Bank of India, Panjab University, Chandigarh on a bank in the supplier's country, on submission to the bank of the documents specified in the Letter of Credit and further following documents
- a. Foreign supplier's certificate that the amounts shown in the invoice are correct in terms of the contract and that all the terms and conditions of the contract have been complied with.
 - b. Foreign supplier's certificate confirming that the original documents have been dispatched to the port consignee in accordance with the contract, and
 - c. Any other document specified in the notification of award or the contract.

or

The payment shall be released on the basis of certificate by the respective user department of successful installation of the equipment.

- 4.2. The Indian Agency Commission of Rs. _____ will be paid to the Third Party and has been included in the total value of the equipment.
- 4.3. The Institute shall make all reasonable and due efforts to pay the Indian Agency Commission to the Third Party at the earliest possible after satisfactory installation/commissioning and handing over of the system in good working condition and meeting any other requirements for payment of the Agency Commission. The rate of exchange applicable for covering Agency commission into equivalent Indian Rupees shall be the TT selling rate prevalent on the date of releasing the documents at the time of shipment by the bankers. The Indian Agency Commission will be paid in Indian Currency (Rupees) to the Third Party.
- 4.4. The equipment will be installed by the Second Party or the Third Party; at the designated premises of the First Party.
- 4.5. The octroi exemption certificate, if required, shall be provided by the First Party.
- 4.6. It is agreed that increase in price on account of any statutory increase or fresh imposition of customs duty, sales tax or on account of any other tax or duty leviable in respect of the stores specified in the accepted tender which takes place after the date of delivery installation, commissioning and handing over period stipulated in the contract, shall not be admissible on such of the said stores as are delivered after the stipulated date of delivery and completion. This is subject to Force Majeure clause.
- 4.7. It is agreed that notwithstanding anything stipulated in the contract for increase in price on any other grounds, such increase which takes place after the date of the delivery and completion stipulated in the contract shall not be admissible on such of the said stores as are delivered after the expiry of the delivery and completion period stipulated in the contract.
- 4.8. But, nevertheless, the Institute shall be entitled to the benefit of any decrease in price on account of reduction in or remission of custom duty, excise duty or sales tax or any other tax or duty or on accounts of any other grounds, which takes place before the date of actual delivery of the goods.

5. IMPORT FORMALITIES AND CUSTOMS CLEARANCE:

- 5.1. The equipment requiring import from abroad will be imported under the OGL scheme, for which Second Party / Third Party will ensure, before shipment takes place, that the equipment in question can be imported under the said scheme.

- 5.2. It will be the responsibility of the Third Party to get the customs clearance of the equipment duty free where this dispensation is available. It will also be the responsibility of the Third Party to pursue any claims with the customs authorities/insurance company, cargo operators and transporters as may arise at any stage.
- 5.3. The N.M.I.C. (Not Manufactured in India Certificate) and the C.D.E.C. (Custom Duty Exemption Certificate) will be provided by the First Party. However, the Second Party / Third Party will effect the shipment only after seeking confirmation regarding availability of the above from the First Party. Delays on this account will not count towards any penalty clauses in this Agreement.
- 5.4. The First Party shall indicate in the Supply Order whether any custom duty/excise duty exemption is available. The First Party shall make available such custom / excise duty exemption certificate. However, it shall be the responsibility of the Second / Third Party, before despatching the consignment to ensure that such exemption certificates have become available with the First Party. Failure on this part of Second / Third party; will render them liable to pay all demurrage charges which become payable.

6. INSURANCE

- 6.1. The Second Party will ensure that the equipment is properly insured for the full C. I. F. value to cover the transit upto site of installation (At user's premises) and to cover the further storage period etc. upto and of the period of satisfactory installation as agreed upon. If the installation is delayed beyond the agreed date of satisfactory installation, commissioning and handing over of the unit then in that event any transit and storage damages which come to light after such delays shall be at the risks and cost of the Second/Third Party. The Second Party/Third Party will provide to the First Party, after due inspection, a detailed list of any loss or damage that may have occurred so as to enable the First Party to file the appropriate claims that may arise with the insurance company(ies). The second/Third Party undertakes to provide all assistance in pursuing any such insurance claims expeditiously. In lieu of damaged/lost items etc. regardless of the fact whether the claim is settled by the underwriters or not, the Second Party's liability is restricted to making free replacement/rectifications and any local expenses such as Customs Duty Clearance etc. connected with such replacements shall be borne by the First Party.

7. It should be noted that if, in consideration of offer of earlier delivery, the contract is placed with a higher tenderer in preference to the lowest acceptable offer, the tenderer will be liable to pay to the Institute the difference between the contract rate and that of the lowest acceptable tender on the basis of the final price for destination, including all elements of freight, sales tax, local taxes, duties and other incidentals, in case of failure to complete supplies in terms of such contract within the date of delivery specified and incorporated in the contract. This is in addition to and without prejudice to other rights of the Institute to recover all other losses and damages resulting from delayed supplies and of cancellation and risk purchase in case of failure to supply the stores.

8. GUARANTEE/WARRANTY:

- 8.1. Guarantee/warranty shall be for a period of 24 months.
- 8.2. The foreign suppliers and the tenderer should guarantee the entire equipment against defects of manufacture, workmanship and poor quality of components.
- 8.3. The guarantee/warranty against defects of manufacture, workmanship and poor quality of components; shall be for the entire equipment and work conducted under the contract. During the guarantee period the replacement of any part(s) of the equipment or rectification of defect of works shall be free of cost.

8.4. UPTIME GUARANTEE

The firm will be required to give warranty/guarantee that during warranty period the equipment, including accessories, will be maintained in good working condition for a period of 347 days out of a period of 365 days (i.e. 95% uptime). If the machine is out of order for more than 5 hours during any day, it shall be considered as one day down time. The essential period to shut down the installation, entirely or partially shall also be included in the downtime if it exceeds 2 days, while calculating the 95% guaranteed uptime. No deduction or advantage of any kind on account of Sundays, half days on Saturdays, Public/Govt. holidays observed by the Institute shall be allowed from the total down time permissible as defined above, The equipment will thus be required to be maintained in satisfactory working conditions for a minimum of 347 days in each period of 365 days which defines the 95% guaranteed uptime required to be maintained in each such period of 365 days. This guaranteed uptime shall be calculated for each block of 365 days.

- 8.5. The Second Party/Third Party will be required to pay a penalty of Rs. 2,000/- per day in case the number of days of downtime in each period of 365 days is more than the downtime permissible during warranty period which is to be calculated as defined above and the delay for not bringing the equipment in functioning order is in any way directly, even partially, attributable to the firm. The penalty will apply only for the number of days in excess of the permissible downtime as defined above.
- 8.6. The Second Party/Third Party guarantee that the equipment being offered is the latest model and that spares for the equipment will be available for a period of at least 10 years (life span). The Second Party/Third Party also guarantee that they will keep the Institute informed of any up-date of the equipment over a period of next 5 years and undertake to provide the same to the Institute at no extra cost.
- 8.7. The Second/Third Party guarantee/warranty that they will supply regularly any items of spare parts requisitioned by the purchaser for satisfactory operation of the equipment till the life span (to be mutually decided) of the equipment if and when required on agreed basis for an agreed price. The agreed basis could be an agreed discount on the published catalogue price or an agreed percentage of profit on the landed cost.
- 8.8. The Second/Third Party guarantee that before going out of production of spare parts, the Second Party/Third Party will give adequate advance notice of at least six months to the First Party so that the First Party may undertake to procure the balance of the life time requirements of spare parts.
- 8.9. The Second/Third Party guarantee that they will make available to the First Party the blue prints and drawings of the spare parts as and when required in connection with the equipment.
- 8.10. The Second/Third Party guarantee that the goods/articles supplied to the First Party under this contract shall be of the best quality and workmanship and shall be strictly in accordance with the specifications and particulars contained/ mentioned in the clauses here of and the Second/Third Party hereby guarantee that the said goods/stores/articles conform to the description and quality aforesaid. The First Party will be entitled to reject the said goods/stores/articles or such portion thereof as may be discovered not to conform to the said description and quality. On such rejection, the goods/ stores/articles will be at the seller's risk and all the provisions herein contained relating to rejection of goods etc. shall apply. The Second Party / Third Party shall, if called upon to do so, replace within a period of fourteen days or such further period as may be extended from time to time by the First Party at his discretion, on an application made thereof by the Second Party/Third Party, the goods/stores/articles or such portion thereof as rejected by the first Party. In

such an event, the above mentioned warranty /guarantee period of the entire equipment shall be extended by the time taken for these replacements. Otherwise, the second/Third Party shall pay to the First Party such demurrages as may arise by reason of breach of the conditions herein contained. Nothing herein contained shall prejudice any other right of the First Party in that behalf.

- 8.11. The Second Party / Third Party will submit a Performance Bond / Bank Guarantee (PBG) for 10% of the value of the equipment amounting to Rs. _____ towards the execution of the Agreement and the warranty valid till the expiry of the warranty period of 24 months, or extended period of warranty of months as the case may be. The PBG should however be valid for at least 24 months. After receipt of said bank guarantee, the First Party will return the EMD already submitted by the Second Party / Third Party as earnest money. On expiry of the warranty period, the PBG will be returned by the First Party to the Second Party / Third Party but only after the latter parties have submitted a fresh Bank Guarantee for Rs. _____ valid till the expiry of the period of the service contract. The fresh Bank Guarantee to cover the service contract shall be submitted at least one month before expiry of the previous Bank Guarantee and shall be for 5% of value of the equipment referred to above in case of AMC and for 10% of value of the equipment referred to above in case of CMC.

9. TRAINING OF PERSONNEL

The successful tenderer will be required to undertake to provide at his cost technical training for personnel involved in the use of the equipment at site at P.U. Chandigarh immediately after its installation. For this purpose the company experts shall be required to operate and train the personnel at Panjab University, Chandigarh at the company's cost to the satisfaction of user department.

10. SERVICE

The Second Party/Third Party hereby agree to make available at all times at Chandigarh, at their cost, a Resident Engineer who is suitably trained for effective, preventive and prompt maintenance of the equipment during the period of guarantee/**warranty of 24 months** or extended period of warranty and the service contract period.

11. INSTALLATION AND SATISFACTORY COMMISSIONING OF THE EQUIPMENT:

11.1. The scope of work includes the satisfactory installation and satisfactory commissioning of the equipment by the Second / Third Party. The term satisfactory installation and commissioning and handing over wherever used in this contract/Agreement will mean satisfactory and faultless functioning of the equipment for 30 days and of works conducted thereunder covered under the contract in working order. The Second Party / Third Party shall in consultation with the first Party, furnish at no extra cost to the First Party within 15 days of the Supply Order, the full details of all works required to be carried out by the Institute in connection with the completion of the work within the stipulated period.

11.2. In case the equipment is not installed and/or put in working condition to the full satisfaction of First Party within the period stipulated in the Agreement or within such time as may be extended in writing by the First Party, or the equipment does not function properly during the period of one year from the date of its installation the First Party shall be entitled to return the equipment and seek the refund of the amount paid and the interest accrued thereon/demurrages borne by it from the Second/Third Party jointly and severally.

12. MAINTENANCE OF THE EQUIPMENT DURING SERVICE CONTRACT PERIOD:

12.1. It shall be the responsibility of the Second Party / Third Party to keep the equipment including its accessories, covered under this Agreement in good working condition during the entire service contract period of five years, which will start with the expiry of the guarantee period as stipulated in Para 8.1 or extended period as the case may be from the date of installation of the equipment. During the service contract period, the equipment, including accessories, will be maintained in good working condition for a period of 347 days out of a period of 365 days (i.e. 95% uptime). If the machine is out of order for more than 5 hours during the period 8.00 AM to 5.00 PM on any day, it shall be considered as one day downtime. The essential period to shut down the installation entirely or partially shall also be included in the down time if it exceeds 2 days while calculating the 95% guaranteed uptime. No deduction or advantage of any kind on account of Sundays, half days on Saturdays. Public/Govt. holidays observed by the Institute shall be allowed from the total downtime permissible as defined above. The equipment will thus be required to be maintained in satisfactory working conditions for a minimum of 347 days in each period of 365 days which defines the 95% guaranteed uptime required to be maintained in each such period of 365 days. The firm will be required to pay a penalty of Rs. 2,000/- per day in case the number of days of downtime in each period of 365 days is more than the downtime permissible which is to be calculated as defined above and the delay for not bringing the equipment in functioning order is in any way directly, even partially, attributable to the firm. The penalty will apply only for the number of days in excess of the permissible downtime as defined above.

(a) During the AMC, the time taken by the First Party in providing the spares till the functioning of the unit will not be calculated as downtime. But the period of AMC will be extended equivalent to period the unit remains out of order. The Second Party has to submit the Proforma Invoice for the import of spares within 4 days. Extra period than this will be counted as down time.

(b) During the guarantee/warranty period the time taken by the Second Party for putting the unit in working order more than 5 days will be considered as downtime, the guarantee/warranty will be extended accordingly.

(c) If the First Party opts to enter CMC during this period, the equipment along with its accessories has to be maintained for 347 days in a year as defined in above Para 12.1. However, 5 days time will be allowed to procure the spares, in case the same has to be imported and this period of 5 days will not be counted as down time.

12.2. The Second Party will furnish a Bank Guarantee as stipulated in Para 8.11 of the Agreement.

13. SPARES:

13.1. SPARES PARTS DURING GUARANTEE/WARRANTY PERIOD:

All spare parts required during the guarantee/warranty period of the equipment as defined in Clause 8 for the satisfactory maintenance, running and upkeep of the equipment shall be provided by the Second/Third Party at its cost, expenses and care. All such defective parts/components replaced by the Second/Third Party during the guarantee period and Comprehensive Maintenance Contract period shall be the property of the Second/Third Party.

- 13.2. During the Annual Maintenance Contract period, replacement of parts/components that may be needing replacement shall be made available by the First Party to the Third Party at the First Party's own expense. Replacements may be the property of First Party.

14. SERVICE CHARTS AND PAYMENT DURING SERVICE CONTRACT PERIOD.

- 14.1. The maintenance service charges will become effective automatically after the expiry of the guarantee period or extended warranty period as stipulated in Para 8.11 of the Agreement from the date of satisfactory installation and commissioning and handing over of the complete equipment including all accessories.

- 14.2. The Maintenance Contract Service Charges payable during the service contract period after the warranty period by the First Party to the Third Party shall be as under :-

Rate for 3rd year	Rs _____	}
Rate for 4th year	Rs _____	}
Rate for 5th year	Rs _____	}

for ____ units.

NOTE The AMC / CMC charges shall be payable in Indian Rupees only.

- 14.3. In case of CMC, these charges include the cost of replacement parts/components/spares/accessories etc which shall be borne by the Second/Third Party. In case of AMC, these charges do not include the cost of any replacement parts/components etc.

- 14.4. The payment of the Service Contract will be released to the firm in four equal installments after verification of all service reports. The payment will be made after the expiry of each quarter.

- 14.5. The firm will arrange 4 regular visits (one every three months) every year for keeping the equipment in good working condition during the period of Service Contract. In addition to it, the firm will be responsible for attending to all emergency break down calls as and when required by the concerned department during the year.

- 14.6. No price revision will be accepted by the First Party during the tenure of the Agreement.

15. FORCE.MAJEURE :

Any failure of omission or commission to carry out the provisions of this contract by the supplier shall not give rise to any claim by any party, one against the other, if such failure of omission or commission arises from an act of God, which shall include all acts of natural calamities such as fire, flood, earthquake, hurricane, or any pestilence or from civil strikes, compliance with any statute and/or regulations of the Government, lockouts and strikes, riots, embargoes or from any political or other reasons beyond the supplier's control including war (whether declared or not), Civil War or state of insurrection, provided that notice of the occurrence of any event by either party to the other shall be given within two weeks from the date of occurrence of such an event which could be attributed to Force Majeure conditions.

16. ARBITRATION:

- 16.1. If at any time, any question, dispute or difference whatever shall arise between the two parties upon or in relation to or in connection with this Agreement, either of the parties may give to the other notice in writing of the existence of such a question, dispute or difference and the same shall be referred to two Arbitrators one to be nominated by the First Party and the other to be nominated by the Second Party/Third Party. Such a notice of the existence of any question, dispute or difference in connection with the Agreement shall be served by either party within one year of the beginning of such dispute failing

which all rights and claims under this Agreement shall be deemed to have been forfeited and absolutely barred.

Before proceeding with the reference, the Arbitrators shall appoint/nominate an Umpire. In the event of the Arbitrators not agreeing in their award, the Umpire appointed by them shall enter upon the reference and his award shall be binding on the parties. The venue of the arbitration shall be at Chandigarh (India). The Arbitrators/Umpire shall give a reasoned award.

16.2. The provisions of the Indian Arbitration Act in force and of rules framed there under and any statutory modifications thereof shall be deemed to apply and be incorporated in this Agreement.

16.3. Upon even or any such reference, the cost of any incidentals to the reference and award(s) respectively shall be at the discretion of the Arbitrators or in the event of their not agreeing, of the Umpire appointed by them who may determine the amount thereof or direct the same to be fixed as between solicitors and client or as between parties and shall direct by whom and in what manner the same shall be borne and paid.

17. JURISDICTION:

The courts at Chandigarh alone will have the jurisdiction to try any matter, dispute or reference between the parties arising out of this Agreement/Contract. It is specifically agreed that no court outside and other than Chandigarh court shall have jurisdiction in the matter.
