

M/S.

Subject: Transportation facilities for University Staff.

Sir,

The University is interested to hire the services of a 52-seater bus to transport its employees from various parts of Chandigarh and Mohali to its campus in Sector 14 & 25. The bus would be required to make one round each in the morning and evening and would cover appx. 90-100 Kms. daily on the days when the University is working. It will normally not be required on weekly off days and other gazetted holidays, except for some educational tours by the students.

In case you could provide these services on an outsourcing basis, please quote your rates in a sealed cover by 4.00 p.m. upto_6-11-2017 addressed to the Registrar, Panjab University, Chandigarh, and super scribed with "Quotation for University Bus

Thanking you,

Yours sincerely

Deputy Registrar (Accounts)
